National Credit Union Youth Month

April 2017

How Credit Unions

Encourage Youth to Give a Hoot About Saving

Learning to save for what you want in life is a crucial life skill, but it's one too few young people are learning.

That's why for financially literacy month in April, Brewster Credit Union will focus on helping young people develop good saving habits.

The theme of the event is Give a Hoot about Saving. "Owls represent wisdom, and nothing is wiser than learning to save for one's future goals"

Member education and concern for the community are part of the foundational principles of our business structure, and passing along a crucial life skill to the next generation to prepare them for a bright future embodies both those principles.
