## Buying a Used Car?

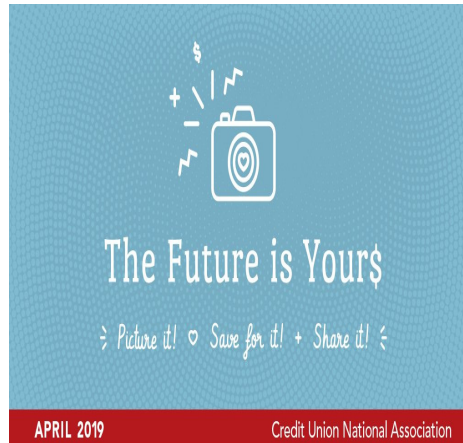

Remember when purchasing a used car it is a good idea to have your mechanic look it over before you buy. Most used car purchases are "as is" and once you have purchased the vehicle any repairs needed are your responsibility. Most mechanics can hook the vehicle up to a diagnostic machine that would help to see if there are any mechanical issues presently. There may be a fee to do this auto check-up, but it could save you money in the long run.

## Easter Coloring Contest

Our Annual Coloring Contest will be held during the month of April for children age 12 and under. Stop in and pick up a picture and return it for a chance to win a prize!! Winners will be announced Thursday, April 18<sup>th</sup> at 3:00pm. Good Luck!!

**THE FUTURE IS YOURS...**

*Picture it! Save for it! Share it!*

This theme encourages young members to look forward to their futures, picture their goals, and learn how to save their money to chase their dreams.

It's been proven that when we acknowledge and record our goals for the future, they're more likely to come true.

By encouraging our youngest members to get into this habit, you're fostering their ability to save for the future they dream of.
