E-Statements:

Now is the time to "go green" with BFCU. When you sign up for E-Statements, you automatically get a **\$10, that's right, a \$10 credit** to your account. An e-Statement is an electronic version of your bank statement that contains all the same information but saves paper and frees up storage space.

E-Statements are a safe, secure way to view your account statements.

8 Ways to Prepare Your Child for School

Starting school can be scary for children. Here are 8 suggestions to help prepare your child for the first day of school.

1. Let your child know what the schedule will be like, tell them what time school begins and ends each day.
2. Talk to your child about their feelings, both their excitement and their concerns about starting school.
3. Visit your child's school to see their classroom and meet the teacher before school starts.
4. Point out the positive points, it will be fun, and they will see old friends and may make new ones too.
5. Let your child know all kids are nervous about the first day of school, you were when you were in school too.
6. Leave a note in your child's lunchbox that will remind him you're thinking of him while he's at school.
7. Reassure your child that you will be there to help resolve any problems.
8. Find out about after-school activities. Is there a club or sports team they can join?
